SILVER WOLF ANNOUNCES ADDITION OF DR. HONZA CATCHPOLE TO THE BOARD OF DIRECTORS

VANCOUVER, B.C., Silver Wolf Exploration Ltd. (OTCQB: SWLFF) (TSX-V: SWLF) (“Silver Wolf” or the “Company”) is pleased to announce the appointment of Dr. Honza Catchpole, to the board of Directors.

Honza Catchpole is an exploration geologist with 15 years of experience working in Mexico, USA, Canada, Andean South America and Europe. He received his Ph.D. in Earth Sciences from the University of Geneva, Switzerland. He has extensive experience in mineral exploration with porphyry Cu, skarn (Zn-Pb-Ag-Cu), epithermal precious (Au-Ag) and base metal (Ag-Zn-Pb-Cu) deposits. He held positions at Teck Resources Limited, Sumitomo Metal Mining Canada and Vale Exploration Canada in project generation, exploration and project evaluation of precious metal and porphyry copper projects. His latest role was with GR Silver Mining Ltd. as Vice President of Exploration where he was responsible for advancing mineral exploration activities in the larger Rosario mining district in Sinaloa, Mexico. Honza managed multiple exploration teams and drill programs in three camps, with over 20 geologists, focusing on vein-type Au-Ag epithermal mineralization and Ag-rich base metal deposits while also developing marketing strategies and business development opportunities. He is fluent in German, Spanish and French, and is registered as a Professional Geologist (P. Geo) in British Columbia, Canada.

“As Silver Wolf continues to add technical resources to the company, I’m honored to welcome Honza to the Board,” said Peter Latta, President. “Honza’s significant experience in Mexico, expertise in skarn-type deposits and attention to detail are invaluable additions as we continue working towards a discovery. Honza has spent time on site and has validated our technical achievements to date. I look forward to working with him to continue to refine our drill targets and our technical communication as we advance the Ana Maria project.”

About Silver Wolf

Silver Wolf is an exploration company focused on exploring high potential projects in prime silver and gold regions of Mexico including the Ana Mara and El Laberinto properties which are both located in a well-known, prolific carbonate replacement deposit (CRD). The Company has operational synergies with Avino Silver & Gold Mines Ltd. and shares many years of combined experience in exploration, development and production. In addition, Silver Wolf has an experienced geological field team who have worked on similar projects in similar regions.
