INFORMATION CIRCULAR

AS AT AND DATED April 22, 2026

This Information Circular accompanies the Notice of the 2026 Annual General Meeting (the “**Meeting**”) of shareholders (each a “**Shareholder**” and together the “**Shareholders**”) of Silver Wolf Exploration Ltd. (hereinafter called the “**Company**”) and is furnished in connection with a solicitation of proxies for use at that Meeting and at any adjournment thereof.

APPOINTMENT OF PROXYHOLDERS AND COMPLETION AND REVOCATION OF PROXIES

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder’s behalf in accordance with the instructions given by the Shareholder in the proxy. The persons named in the enclosed proxy (the “**Management Designees**”) have been selected by the directors of the Company.

A Shareholder has the right to designate a person (who need not be a Shareholder), other than the Management Designees to represent the Shareholder at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the proxy the name of the person to be designated, and by deleting from the proxy the names of the Management Designees, or by completing another proper form of proxy and delivering the same to the transfer agent of the Company. Such Shareholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxyholder and attend the Meeting, and provide instructions on how the Shareholder’s Common Shares (defined below) are to be voted. The nominee should bring personal identification with them to the Meeting.

To be valid, the proxy must be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy). The proxy must then be delivered to the Company’s registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or at the head office of the Company at Suite 900 – 570 Granville Street, Vancouver, British Columbia, V6C 3P1, at least 48 hours, excluding Saturdays, Sundays and holidays, before the time of the Meeting or any adjournment thereof. Proxies received after that time may be accepted by the Chairman of the Meeting in the Chairman’s discretion, but the Chairman is under no obligation to accept late proxies.

Any registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. A proxy may be revoked by a registered Shareholder personally attending the Meeting and voting their Common Shares. A Shareholder may also revoke their proxy in respect of any matter upon which a vote has not already been cast by depositing an instrument in writing, including a proxy bearing a later date executed by the registered Shareholder or by their authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, either at the office of the Company’s registrar and transfer agent at the foregoing address or the head office of the Company at the foregoing address, at any time up to and including the last business day

preceding the date of the Meeting, or any adjournment thereof at which the proxy is to be used, or by depositing the instrument in writing with the Chairman of such Meeting, or any adjournment thereof. **Only registered Shareholders have the right to revoke a proxy. Non-registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective nominees to revoke the proxy on their behalf.**

PERSONS OR COMPANIES MAKING THE SOLICITATION

THE ENCLOSED PROXY IS BEING SOLICITED BY
MANAGEMENT OF THE COMPANY

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited by electronic delivery where requested by the Shareholders, as well as personally or by telephone by directors, officers, employees or consultants of the Company. Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of common shares of the Company ("**Common Shares**") pursuant to the requirements of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**National Instrument 54-101**").

The Canadian securities regulators have adopted new rules under National Instrument 54-101 which permit the use of notice-and-access for proxy solicitation, instead of the traditional physical delivery of material. This new process provides the option to post meeting related materials, including management information circulars, as well as annual financial statements, and related Management's Discussion and Analysis ("**MD&A**") on a website in addition to SEDAR. Under notice-and-access, such meeting related materials will be available for viewing for up to one (1) year from the date of posting, and a paper copy of the material can be requested at any time during this period. The Company is not relying on the notice-and-access provisions of National Instrument 54-101 to send proxy related materials to registered Shareholders or beneficial owners of Common Shares in connection with the Meeting.

The Company may reimburse Shareholders' nominees or agents (including brokers holding Common Shares on behalf of clients) for the cost incurred in obtaining from their principals' authorization to execute forms of proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. Unless otherwise stated, the information contained in this Information Circular is given as at **April 22, 2026**.

VOTING OF PROXIES

Each Shareholder may instruct their proxyholder how to vote their Common Shares by completing the blanks on the proxy. All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting when a poll is required or requested and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Common Shares represented by the proxy will be voted in accordance with such specification. **In the absence of any such specification as to voting on the proxy, the Management Designees, if named as proxyholder, will vote in favour of the matters set out therein.**

The enclosed proxy confers discretionary authority upon the Management Designees, or other person named as proxyholder, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. As of the date hereof, the Company is not aware of any amendments to, variations of or other matters which may come before the

Meeting. If other matters properly come before the Meeting, then the Management Designees intend to vote in a manner which in their judgment is in the best interests of the Company.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an “ordinary resolution”), unless the motion requires a “special resolution” in which case a majority of 66 2/3% of the votes cast will be required.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue unlimited Common Shares without par value. There is one class of shares only. As at the date hereof there are 62,177,286 Common Shares issued and outstanding. At an Annual General Meeting of the Company, on a show of hands, every Shareholder present in person and entitled to vote and every proxy holder duly appointed by a holder of a share who would have been entitled to vote shall have one vote and on a poll, every Shareholder present in person or represented by proxy shall have one vote for each share of which such Shareholder is the registered holder.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the outstanding voting rights of the Company other than:

Name	Number of Voting Securities	Percentage
David Wolfen	12,070,910	19.41%
Avino Silver & Gold Mines Ltd.	11,307,052	18.18%

The Articles of the Company provide that a quorum for the transaction of business at the Meeting is two (2) Shareholders, or one or more proxyholders representing two Shareholders, or one Shareholder and a proxyholder representing another Shareholder.

The directors have determined that all Shareholders of record as of **April 22, 2026** will be entitled to receive notice of and to vote at the Meeting. Those Shareholders so desiring may be represented by proxy at the Meeting.

BENEFICIAL HOLDERS

Only registered Shareholders or duly appointed proxy-holders are permitted to vote at the Meeting. Most Shareholders of the Company are “non-registered” or “beneficial” Shareholders because the Common Shares they own are not registered in their names, but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. More particularly, a person is not a registered Shareholder in respect of Common Shares which are held on behalf of that person (the “**Beneficial Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Beneficial Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the “**Meeting Materials**”) directly, and to the clearing agencies and Intermediaries for onward distribution to Beneficial Holders. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information

about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

Intermediaries are required to forward the Meeting Materials to Beneficial Holders unless a Beneficial Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Beneficial Holders. Generally, Beneficial Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Beneficial Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Beneficial Holder when submitting the proxy. In this case, the Beneficial Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and **deposit it with the Company's transfer agent as provided above; or**
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Beneficial Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow. Typically, the proxy authorization form will consist of a one-page pre-printed form. Sometimes, instead of the one-page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Beneficial Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Beneficial Holders to direct the voting of the Common Shares which they beneficially own. Should a Beneficial Holder who receives one of the above forms wish to vote at the Meeting in person, the Beneficial Holder should strike out the names of the Management Proxy-holders named in the form and insert the Beneficial Holder's name in the blank space provided. **Beneficial Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

PARTICULARS OF MATTERS TO BE ACTED UPON

TO THE KNOWLEDGE OF THE COMPANY'S DIRECTORS, THE ONLY MATTERS TO BE PLACED BEFORE THE MEETING ARE THOSE REFERRED TO IN THE NOTICE OF MEETING ACCOMPANYING THIS INFORMATION CIRCULAR. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE COMMON SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE COMMON SHARES REPRESENTED BY THE PROXY.

Additional detail regarding each of the matters to be acted upon at the Meeting is set forth below.

I. Financial Statements

The audited financial statements of the company for the year ended December 31, 2025 (the “**Financial Statements**”), together with the Auditors’ Report thereon, will be presented to the Shareholders at the Meeting. Shareholders should note that in accordance with the rules of National Instrument 51-102 - *Continuous Disclosure Obligations* (“**NI 51-102**”), Shareholders will no longer automatically receive copies of financial statements unless a card (*in the form enclosed herewith*) has been completed and returned as instructed. Copies of all previously issued annual and quarterly financial statements and related MD&A are available to the public on the SEDAR+ website under the Company’s profile at www.sedarplus.ca and on the Company’s website at www.silverwolfexploration.com. Hard copies of the Audited Annual Financial statements and MD&A will be available to Shareholders free of charge upon request.

II. Election of Directors

Each director of the Company is elected annually and holds office until the next Annual General Meeting of the Shareholders unless that person ceases to be a director before then. It is proposed that the number of directors for the ensuing year be set at **five (5)**, subject to such increases as may be permitted by the Articles of the Company. At the Meeting, the Shareholders will be asked to consider and, if thought fit, approve an ordinary resolution setting the number of directors to be elected at the Meeting at **five (5)**.

It is proposed that the persons named below will be nominated at the Meeting. Each director elected will hold office until the next Annual General Meeting of the Company or until his successor is duly elected or appointed pursuant to the Articles of the Company unless his office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) or the Company’s Articles.

It is the intention of the Management designees, if named as proxy, to vote for the election of the said persons to the Company’s board of directors (the "Board of Directors"), unless the Shareholder has specified in its proxy that its Common Shares are to be withheld from voting on the election of directors.

Corporate Cease Trade Orders or Bankruptcies

To the knowledge of the Company, no director or proposed director of the Company is, or within the ten years prior to the date of this Circular has been, a director or executive officer of any company, including the Company, that while that person was acting in that capacity.

- (a) was the subject of a cease trade order or similar order or an order that denied the company access to any exemption under securities legislation for a period of more than 30 consecutive days; or
- (b) was subject to an event that resulted, after the director ceased to be a director or executive officer of the company being the subject of a cease trade order or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
- (c) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Individual Bankruptcies

To the knowledge of the Company, no director or proposed director of the Company has, within the ten years prior to the date of this Circular, become bankrupt or made a proposal under any legislation relating to bankruptcy or insolvency, or been subject to or instituted any proceedings, arrangement or

compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

Penalties or Sanctions

To the knowledge of the Company, no proposed director of the Company has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

III. Appointment of Auditors

Management proposes the appointment of Manning Elliott LLP, Chartered Professional Accountants, as Auditors of the Company for the ensuing year and that the directors be authorized to fix their remuneration. Manning Elliott LLP, Chartered Professional Accountants, have been the Company's Auditors since February 7, 2013.

In the absence of instructions to the contrary the Common Shares represented by proxy will be voted in favour of a resolution to appoint Manning Elliott, LLP, as Auditors of the Company for the ensuing year, at a remuneration to be fixed by the Board of Directors, unless the Shareholder has specified in the Shareholder's proxy that the Shareholder's Common Shares are to be withheld from voting on the appointment of auditors.

IV. Ratification of Incentive Stock Option Plan

At last year's Annual General Meeting, the Shareholders approved a 10% rolling stock option plan (the "**Stock Option Plan**" or "**Plan**") authorizing the issuance of incentive stock options to Eligible Persons (defined below) for up to an aggregate of 10% of the issued Common Shares from time to time. The TSX Venture Exchange ("**TSX-V**") policies require the re-approval of the Stock Option Plan by the Company's Shareholders (as defined below) on an annual basis. There are currently **62,177,286** Common Shares issued and outstanding, therefore the current 10% threshold is **6,217,728** shares under the Stock Option Plan.

Incentive stock options under the Stock Option Plan may be granted by the Board of Directors to eligible persons, who are directors, officers or consultants of the Company or its subsidiaries (if any), or who are employees of a company providing management services to the Company, or who are eligible charitable organizations (the "**Eligible Persons**"). Stock options may be granted under the Stock Option Plan with a maximum exercise period of up to ten (10) years, as determined by the Board of Directors of the Company.

The Stock Option Plan limits the number of stock options which may be granted to any one individual to not more than 5% of the total issued Common Shares in any 12-month period (unless otherwise approved by the disinterested Shareholders of the Company), and not more than 10% of the total issued Common Shares to all insiders at any time or granted over any 12-month period. The number of options granted to any one consultant or person employed to provide investor relations activities in any 12-month period must not exceed 2% of the total issued Common Shares. Any stock options granted under the Stock Option Plan will not be subject to any vesting schedule, unless otherwise determined by the Board of Directors or required by the policies of the TSX-V.

Options under the Stock Option Plan may be granted at an exercise price which is at or above the current discounted market price (as defined under the policies of the TSX-V) on the date of the grant. In the event of the death or permanent disability of an optionee, any option granted to such optionee will be exercisable upon the earlier of 365 days from the date of death or permanent disability, or the expiry date of the option. In the event of the resignation of an optionee, or the termination or removal of an optionee without just cause, any option granted to such optionee will be exercisable for a period of 90 days thereafter. In the event of termination for cause, any option granted to such optionee will be cancelled as at the date of termination.

In the event the expiry date of an option falls on a date during any “**black-out trading period**”, where insiders are prohibited from trading due to any unannounced material information, that has been self-imposed by the Company, the expiry date of the option will be extended to the 10th business day following the date that the self-imposed black-out trading period is lifted by the Company.

The Stock Option Plan contains a “**net exercise option**” for option grants, excluding options held by any Eligible Person who is providing investor relations activities. Under the “Net exercise option”, in consideration of the issuance of any Common Shares which are vested and exercisable, the optionee will receive Common Shares equal to the quotient obtained by dividing (A) the product of the number of options being exercised multiplied by the difference between the 5-trading day volume weighted average price (“**VWAP**”) of the underlying listed Common Shares and the option price of the subject options; by (B) the VWAP of the underlying listed Common Shares.

For example, under the net exercise option, if an Eligible Person holds an option to purchase 100 listed Common Shares, exercisable at a price of \$1.00 per share and the VWAP of the listed Common Shares is \$1.50, then the Eligible Person would not pay the Company any cash, and instead of receiving 100 listed Common Shares would only receive 33 listed Common Shares (fractional Common Shares being in effect rounded down to the nearest lower whole Common Share) calculated as follows:

$$\frac{100 \times (\$1.50 - \$1.00)}{\$1.50} = 33 \text{ shares}$$

All options exercised pursuant to the net exercise option will be considered exercised in full for all purposes under the Stock Option Plan.

A copy of the plan will be made available at the Company’s head office located at Suite 900 – 570 Granville Street, Vancouver, British Columbia, V6C 3P1, until 4:00 p.m. Pacific Daylight Time on the business day immediately preceding the date of the Meeting.

The Stock Option Plan must be approved by a majority of the Shareholders entitled to vote present in person or by proxy at the Meeting, and be accepted for filing by the TSX-V.

Shareholders will be asked at the Meeting to approve with or without variation the following ordinary resolution:

“WHEREAS the Board of Directors has re-approved the Company’s form of stock option plan (the **“Stock Option Plan”**) as described in the Company’s management information circular for the Meeting dated April 22, 2026 (the **“Circular”**);

NOW BE IT RESOLVED that:

1. The Stock Option Plan is hereby ratified, confirmed and approved, subject to the acceptance of the TSX Venture Exchange, and the grant of options thereunder is approved;
2. The number of Common Shares reserved for issuance under the Stock Option Plan will be no more than 10% of the Company’s issued and outstanding Common Shares at the time of any stock option grant;
3. The Board of Directors be authorized to make any changes to the Stock Option Plan as may be required or permitted by the TSX Venture Exchange, subject to the terms of the Plan and acceptance of the TSX Venture Exchange;
4. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver, all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to the foregoing resolutions; and
5. The directors be authorized in their sole discretion not to proceed with the Stock Option Plan, or to terminate the Stock Option Plan, without further approval from the shareholders.”

The Stock Option Plan is subject to TSX-V acceptance.

The Board of Directors has concluded that the Stock Option Plan is in the best interests of the Company and its Shareholders. Accordingly, the Board of Directors unanimously recommends that the Shareholders approve the Stock Option Plan, by voting FOR this resolution at the Meeting.

Proxies received in favour of management will be voted FOR the Stock Option Plan unless the Shareholder has specified in the proxy that his or her common shares are to be voted against such resolution. Where no choice is specified by a Shareholder, the proxy will confer discretionary authority and will be voted FOR the Stock Option Plan Resolution ratifying, confirming and approving the adoption of the Stock Option Plan.

EXECUTIVE COMPENSATION (For the Financial Year Ended December 31, 2025)

For purposes of this Information Circular, “named executive officer” of the Company means an individual who, at any time during the year, was:

- (a) each individual who, in respect of the Company, during any part of the most recently completed financial year, served as the Company’s chief executive officer (**“CEO”**), including an individual performing functions similar to a CEO;

- (b) each individual who, in respect of the Company, during any part of the most recently completed financial year, served as the Company's chief financial officer ("CFO"), including an individual performing functions similar to a CFO;
- (c) in respect of the Company and its subsidiaries, the most highly compensated executive officer, other than individuals identified in paragraphs (a) and (b) above at the end of the most recently completed financial year whose total compensation was more than \$150,000 for that financial year; and
- (d) each individual who would be a named executive officer under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of the most recently completed financial year;

(each a "Named Executive Officer" or "NEO").

Based on the foregoing definition, during the last completed fiscal year of the Company, there were three (3) NEOs, namely, its President, Peter Latta, its CEO, David Wolfin, and its CFO, Nathan Harte.

Compensation Discussion and Analysis

The Company does not have a formal compensation program, but retains the discretion to pay base salaries, incentive bonuses, and incentive stock options to the NEOs, based upon the recommendations of the Board of Directors. The Company and its Board recognize the need to provide a compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive's level of responsibility. The objectives of base salary (if and when the Company determines to pay same) are to recognize market pay and acknowledge the competencies and skills of individuals. The objectives of incentive bonuses in the form of cash payments (if and when the Company determines to pay same) are designed to add a variable component of compensation, based on corporate and individual performances for executive officers and employees. No base salary or incentive bonuses were paid to executive officers and employees during the most recently completed fiscal year. The objectives of stock options (if and when the Company determines to grant same) are to reward achievement of long-term financial and operating performance and focus on key activities and achievements critical to the ongoing success of the Company. Implementation of a new incentive stock option plan and amendments to the existing stock option plan are the responsibility of the Company's Board of Directors.

The Company has no other forms of compensation, although payments may be made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Company at competitive industry rates for work of a similar nature by reputable arm's length services providers. The process for determining executive compensation relies solely on the Board of Directors, without any formal objectives criteria and analysis. The Board of Directors does not have a pre-determined compensation plan. The Company does not engage in benchmarking practices and the process for determining executive compensation is at the discretion of the Board of Directors. The Board of Directors has not engaged the services of independent compensation consultants to assist it by making recommendations to the Board of Directors with respect to director and executive officer compensation.

Actual compensation will vary based on the executive's experience in the mining industry and the performance of the executive relative to the achievement of goals and the price of the Company's securities.

In performing its duties, the Board of Directors has considered the implications of risks associated with the Company’s compensation policies and practices. At its early stage of development and considering its current compensation policies, the Company has no compensation policies or practices that would encourage an executive officer or other individual to take inappropriate or excessive risks. An NEO or director is permitted for his or her own benefit and at his or her own financial risk, to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units or exchange funds, that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Option-Based Awards

As noted above under, “Particulars of Matters to be Acted upon – IV. Ratification of Incentive Stock Option Plan”, the Company maintains a 10% rolling stock option plan.

CORPORATE GOVERNANCE

General

The Board of Directors believes that good corporate governance improves corporate performance and benefits all Shareholders. National Policy 58-201 - *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 - *Disclosure of Corporate Governance Practices ("NI 58-101")* prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board of Directors exercises its independent supervision over the Company's management through frequent meetings of the Board of Directors.

The Board of Directors will be comprised of five (5) directors, three (3) of whom, Peter Schriber, Honza Catchpole, and Stephen Williams, are independent for the purposes of NI 58-101. David Wolfen and Peter Latta are not independent since they serve as CEO and President of the Company, respectively.

Directorships

A director of the Company is also a director of another reporting issuer, as follows:

Director	Other Reporting Issuers
David Wolfen	Avino Silver & Gold Mines Ltd.

Orientation and Continuing Education

New Board of Directors members receive an orientation package which includes reports on operations and results, and public disclosure filings by the Company. Board meetings are sometimes held at the Company's offices and, from time to time, are combined with presentations by the Company's management to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all Board of Directors members.

Ethical Business Conduct

The Board of Directors has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board of Directors in which the director has an interest have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board of Directors considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board of Directors' duties effectively and to maintain a diversity of view and experience.

The Board of Directors does not have a Compensation Committee or a Nominating Committee, and these functions are currently performed by the Board of Directors as a whole.

Compensation

The Company currently pays no cash compensation to its directors and believes this is appropriate at the Company's current stage of development and levels of activity.

Assessments

Due to the minimal size of the Company's board of directors, no formal policy has been established to monitor the effectiveness of the directors, the Board of Directors and its committees.

OTHER MATTERS

MANAGEMENT KNOWS OF NO OTHER MATTERS TO COME BEFORE THE MEETING OTHER THAN THOSE REFERRED TO IN THE NOTICE OF MEETING. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE COMMON SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE COMMON SHARES REPRESENTED BY THE PROXY.
